

# Quick Start Guide

## Bonnet Hinge Aerial Mount

 **MAXFORT** | **MF-BHN80**  
GENUINE PARTS

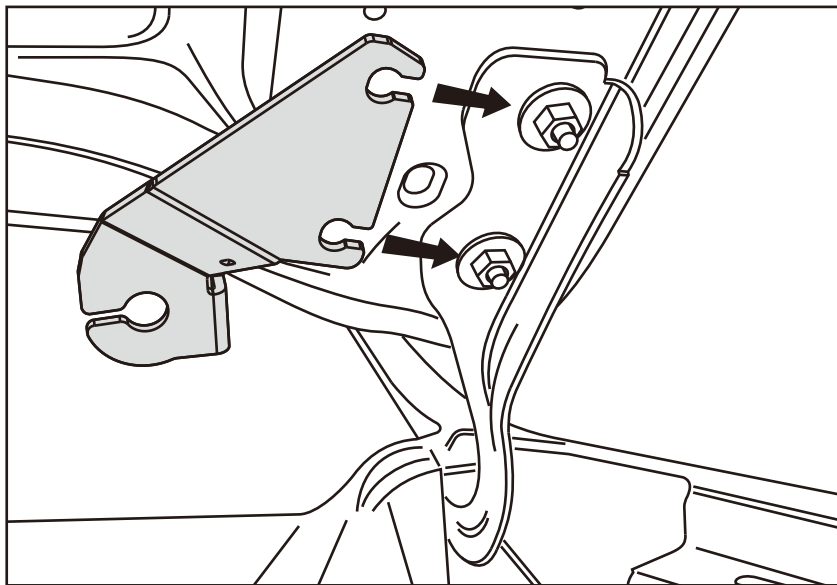

1. Open the car bonnet, take attention to passenger side bonnet hinge.

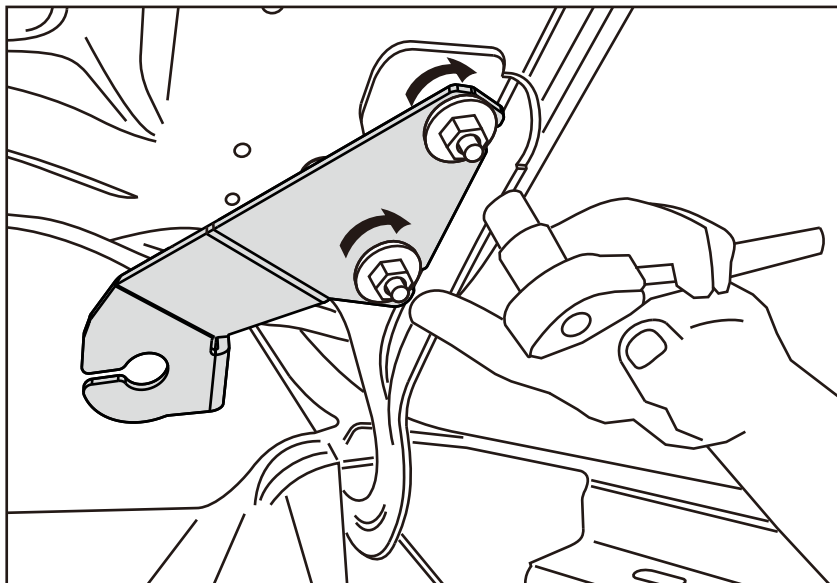

2. Loosen bonnet car hinge nuts at the passenger side, but it doesn't come loose.

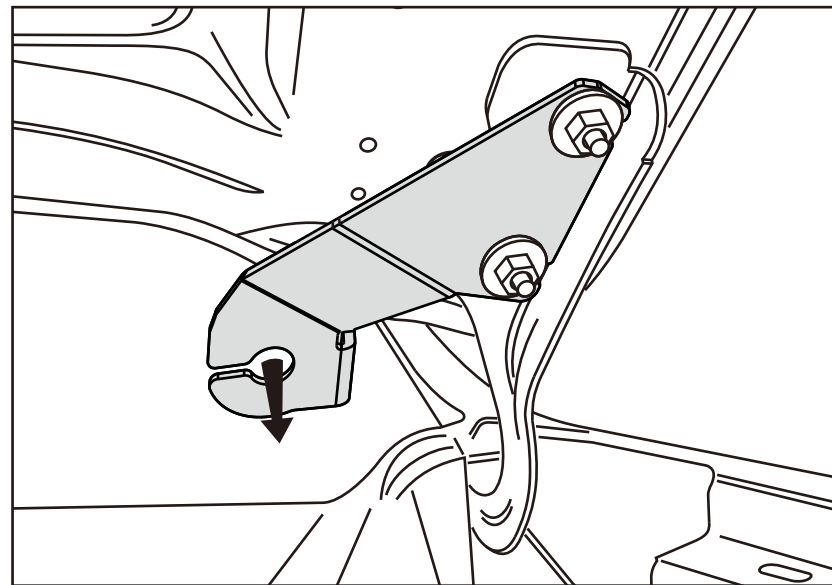

**3.** Locate the aerial mount between the two nuts.

**4.** Tighten the nuts.

**5.** Insert the Aerial antenna and its cable through the hole.

**6.** Close the car bonnet when its all ready
